

See what successful Cape Cod business people are saying about Cape Cod Cooperative Bank...

"We do a tremendous amount of business with Cape Cod Cooperative Bank. I do it both on a personal basis as well as in my business. It has a tremendous atmosphere when you walk in. No matter what, when they call me on a business matter or a personal matter, they always handle it very professionally. And I just really enjoy the people."

Joanie Sutherland, Executive Director, YMCA Cape Cod

"Your bank services are right up there - top notch. And your people skills are the best I've found on the Cape."

Wendi C. Smith, Owner, Harvest of Barnstable

"It makes our business activities daily just so much easier. We don't even think about the banking end of our business. It just happens and it runs smoothly and it's just on cruise control."

A.J. Luke, Owner, Luke's Super Liquor Stores

"The bank offered all of our employees a free checking account which is great. We do direct deposit with the Bank, so the employees don't have to go to the Bank. We don't miss time on Fridays, payday. We don't have to worry about them [employees] coming off the job early to get to the Bank because it is direct deposit. It's a great benefit to offer an employee to have a free checking account."

Mary Jane Brindamour, Operations Manager, Disaster Specialists

"I realized that I needed a commercial mortgage, so I decided to visit with my friends at Cape Cod Cooperative Bank. Their options were superior in every way compared to the other banks."
