## **CAPE COD COMPANY OFFERING PROFESSIONAL VALET PARKING ATTENDANT SERVICES**

DENNIS, MA - May 3, 2010 ... With 29 years of distinctive service, Cape Cod Valet Parking, a Prestige Valet Parking Company, is pleased to announce that professional valet parking attendant services are available for your business and special events. First impressions begin at the curb. Give your guests the first impression you want them to have!

Owner, Martin (Marty) Bruemmel has been providing valet parking attendant service in the Boston metropolitan area since 1982. Marty began valet parking while he was working as a bartender in Boston and filled in for a valet attendant who had called in sick. His first valet parked vehicle was a De Lorean. The bartending career went on hold and he has been valet parking since. Marty has also consulted for national valet parking companies.

"We started valet parking in 1982 for Davide Ristorante in Boston's historic North End," said Bruemmel. "In 1984, we expanded to include Devon on the Common, in the Theater District. After a restaurant fire, Devon moved to the new World Trade Center in 1986 where we provided valet parking not only for Devon, but for the tenants and customers of the newly opened facility. From there the portfolio of restaurants we provided valet parking for expanded to the North End, Back Bay, South End of Boston, North Shore and Brookline, Massachusetts."

Bruemmel went on, "We expanded to Cape Cod and the Islands in 2006 with Cape Cod Valet.com in hopes of fulfilling the need for a professional valet parking service. In 2009, we continued our expansion to the Plymouth, Massachusetts area as the first professional valet parking service with Plymouth Rock Valet.com. Now in 2010, we continue our growth and are proud to introduce Prestige Valet Parking, combining all our valet companies into one and highlighting our prestigious professional service."

Prestige Valet Parking offers 29 years of professional parking management experience. They are the second oldest valet parking company in New England. Marty Bruemmel is considered to be an expert in valet parking management, providing valuable information including how to choose a valet service for your event and the pitfalls to avoid when selecting a valet on his blog. Prestige Valet Parking companies have been mentioned and complimented by both local restaurant review television shows, the Phantom Gourmet and T.V. Diner with Billy Costa. Cape Cod Valet Parking is the first and only valet company listed as members of the Cape Cod Chamber of Commerce and the Cape Cod Hospitality Marketing Association, and is accredited by the Better Business Bureau. Don't trust just anyone with your valet parking needs, call the professionals, Prestige Valet Parking, at 508-760-3200 or email us at [info@prestigevaletparking.com](mailto:info@prestigevaletparking.com).
